Message from The President

First, I would like to say that I am very honored to be the President of the Hopewell Moose Family Center. To the Board of Officers and general membership, I thank you for all your support.

I would like to welcome our new Administrator Dianne Waldron and thank her for all her dedication and hard work. When you see Dianne at the lodge, please introduce yourself and welcome her to our Moose home.

Also, welcome to all the sisters of the lodge, and a huge thank you for attending the general membership meetings and for all your valuable input. Working together we can make our Moose home the best it can be.

Come out on June 17th and make your vote count for the following officer positions: Treasurer, Chaplin, and 3rd Year Trustee.

Just a friendly reminder that volunteers are always welcomed.

Fraternally,

Jack Olinger

Message from the Administrator

I know it has been a long time since we have had a newsletter. Many thanks to Gloria Olinger and Tanner Brough for stepping up and offering to take on this task. I realize that there has been a breakdown of communications at the lodge, I assure you the board is aware and trying to remedy that.

We are also aware that events/gatherings have been limited since opening in January. COVID put a whole new spin on the way “things used to be.” Hopefully, we have crossed that bridge and can return to what was normal.

We also need to be mindful that the old way is not necessarily the best way. We have a beautiful building here and need to make sure we use it to its potential. A ballroom for dances/rentals, a social quarters for entertainment and a kitchen that rivals any commercial restaurant in the area. All these things take staff, volunteers, and members to make it the best it can be.

Not to mention that our lodge, Hopewell Moose 1472 has the first female administrator in the history of the Moose. We have women running for office, attending meetings and voting. That is a positive change. Human beings naturally resist change, but change is not always a negative thing, in fact it can be quite positive.

Everyone of you reading this newsletter have a voice. Come to meetings, leave a comment in the box. (Yes, we have a box for concerns, suggestions, and compliments.) Be part of the lodge. Things will not change quickly, and not everyone's ideas will get implemented. I am asking that you give us a chance to work through things and do what is best for the lodge. I see a lot of positive things going on...bands and dancing in the ballroom, picnics in the park, new menus and many events being planned.

-thank you

Dianne Waldron

Message from Senior Regent

Many thanks to all the ladies of Hopewell Chapter 1180 for electing me as your Senior Regent 2021-2022. This year will prove to be challenging but ladies we will work together and meet all the challenges. With the new changes, the Chapter meetings will be held once a month. Our meetings will be conducted on the 3rd Wednesday of each month at 7 pm. Please come out and attend your Chapter meetings.

Thanks

Beth Stanley

Moose Legion

We are off to a great start in our new year for the Moose. The Moose Legion sponsored the Memorial Day Picnic on Monday, May 31 at our very own Wilson Park. It felt wonderful to hold a lodge event at our pavilion again. We would like to thank all of those who attended. A special thank you goes out to all the volunteers who helped to make the event such a success.

The Queen of Hearts will make her arrival on Monday, June 7, 2021. Please come and join us for a fun filled evening of fellowship. There will be a 50/50 and pull tabs for purchase to increase your chances of winning. Remember ... The more participants we have the faster the jackpot will grow!

ODML 148 Golf Tournament will be held Saturday, June 26th, 9:00 am at Prince George Golf Course.

We look forward to seeing you all at our upcoming events. Bring a friend and introduce them to our fine organization.
